**WASTE MANAGEMENT OF SAN DIEGO HONORED BY THE
SAN DIEGO COUNTY APARTMENT ASSOCIATION**

Annual Mark of Excellence of Award for 'Partner of the Year' Presented to Waste Management

(SAN DIEGO) Dec. 23, 2010 – [Waste Management of San Diego](#) was recently named “Industry Partner of the Year” by the San Diego County Apartment Association (SDCAA) at its 2010 Mark of Excellence Award ceremony. The annual event recognizes professionals and companies who own, manage or provide excellent products and services to the multi-family housing industry in San Diego County.

“It’s is an honor to be acknowledged by one of San Diego’s most reputable associations,” said Carl Scherbaum, district manager of Waste Management of San Diego. “Our goal is to provide excellent service every day to our customers and partners, such as the San Diego County Apartment Association, whether we are collecting trash and recyclables or offering convenient new recycling programs for apartment residents. This award belongs to our staff members who have gone above and beyond to make a positive impact on our customers.”

The SDCAA aims to protect and preserve the economic vitality of the rental housing industry by providing benefits to its members including legislative advocacy, property management guidance, educational seminars, networking opportunities and award winning industry events such as the Mark of Excellence.

About Waste Management

As North America’s largest provider of waste and environmental services, Waste Management is on a quest for environmental performance, to maximize resource value and minimize environmental impact. Waste is a valuable resource. Waste Management takes innovative steps to maximize and recover the resource that is in waste. To learn more visit www.wastemanagementsd.com and www.thinkgreen.com.
