**WASTE MANAGEMENT OF SAN DIEGO TO HOST
BATTERY DRIVE AT SANTEE SANTREE FEST**

(SANTEE, CA) -- Santee residents and neighbors are encouraged to collect their used household batteries and bring them to Santee Santree Fest to be recycled at the [Waste Management of San Diego](#) (WMSD) booth. From 9 a.m. to noon on Saturday, March 5. WMSD will gather various types of batteries such as AA, AAA, C, D, 9-Volt and rechargeable batteries that contain hazardous metals and cannot be thrown away in the trash.

The Santee Santree Fest is a day dedicated to environmental fun while making a difference in the community with tree planting. Free admission includes: tree planting; live band and musical entertainment; kid's crafts; healthy food international booths and more.

WMSD, a long-time sponsor of the Santee Santree Fest, is working in partnership with the City of Santee to make the event sustainable by providing waste and recycling services.
